

Security

Have quick, reliable access to firearms when it matters most. Equipped with a compression gas strut that allows for quick single-handed, whisper-quiet entry, the SentrySafe Quick Access Pistol Safe empowers customers to defend their homes and Families.

Features

- Department of Justice California DOJ Certified for firearm storage and protection
- Pry-resistant solid steel construction to help protect against unauthorized access to firearms
- Biometric fingerprint lock
- Silent electronic lock
- High intensity interior LED light
- A compression gas strut opens the door silently and holds it open for single-handed access even in confined spaces
- The safe is designed so that the pistol is positioned for easy one-hand access to the firearm
- Override key for convenient backup access
- 3-years limited warranty
- Color: black
